Untitled Document We store files on an attached Iron Wolf server. The beginning of the file should be: ROSA, PINPOT MOSCOW: NASA has sent a self-portrait of the earth ahead of a planned manned mission to Mars, carrying inside an image of the ancient Mayan Venus goddess known as PINPOT. The image of PINPOT, three-dimensional and computer generated, shows the goddess sitting on Mayan structures 300 years ago. The two view a Mayan Temple (already out of picture) before the goddess and the Mayan structures shown to the left of her. Diana Kashok, Planetary Anthropologist on the project, told Reuters that the Earth in the picture is may be much smaller than the actual earth because it was modified to look like a space image. Curiosity Rover on Mars Uncovered Pictured for the First Time The spectacular new pictures of Mars had never been taken, so what had been seen before were mere views of what the surface must be like. Now the rare observations, made by the robot behind NASA's Mars rover Curiosity, as it drove to its final landing site

What's new:

"Nintendo has been working on a new action-role-playing game for over a year, and it's becoming a huge hit with Japanese fans. The game is set in the Lands Between, and its world is a labyrinth of fascinating dungeons. With a wide world, an improved combat system, cooperative multiplayer, and many other new gameplay elements, this game is an attractive RPG adventure that you should check out if you like RPGs."

— Yanko Design of "Shantae: Risky's Revenge"

"Happy news: Nintendo has been working on a new action RPG for almost a year, and it's starting to get a huge following of its own. The game is set in a world of fantasy fantasy in the Lands Between, and it's been designed by the team behind the cult hit The World Ends With You, which is why the game is called DxD. With a two-dimensional world, many ways to explore a vast world, and online cooperative multiplayer, it's an exciting trip through a fantasy adventure, and one you should definitely check out if you like RPGs."

— Iwata Asks them, translated from Weekly Famitsu

D11, Major Natsuko Ogata (Director): "The game is set in the Lands Between, which is a world where monsters exist. The Lands Between is a world we created for the game, with height, width, and depth, and the scenery is made so that everything is interesting to see."

D11, Yukari Fujimoto (Designer): "The Trails Between are full of epic dungeons and rare materials. Even if you miss your attempt at a dungeon and try at a different spot, sometimes you'll encounter a completely different dungeon. The player will notice the strangeness of the world, as well as the large and small obstacles they have to deal with."

D11, Risako Fujisaki (Programmer): "It's a vast RPG adventure, with a two-dimensional world and plenty of places you haven't been to before. So if you come across new obstacles, there will be some adorable content, and if you are the one who is

extremely frustrated, you'll get to experience an RPG".

D11, Atsushi Hashiguchi (Producer): "We
