**FULL PureTaboo -Jaye Summers And Emily Willis The Bad Uncle R**

Uncle Logan Pierce mocks Emily Willis for being still Daddy's little girl. Uncle Logan wants proof, and Emily needs to stand out and prove it. Uncle Logan just doesn't understand that she can't be daddy's girl because she's already a big and independent girl. 'Daddy' is a film about people who make films. About people who make films, who love films and who know how to make them. There's a lot of humor in the movie that you can find in every movie, but here it's more subtle and subtle, it's more human, you know. The film has a sense of humor that can only be found in movies starring Matt Damon and Jason Statham. dd2bc28256
