Visually impressive, action-packed and powerfully prophetic since its debut, "Blade Runner" returns in the definitive version of Ridley Scott's film, which will include new special effects as well as a number of exciting scenes after the finale. The new film will be released in 3D, 2D and IMAX 3D formats. The film will introduce a new version of the story that begins with replicant Rick Deckard (Harrison Ford), who finds and destroys the first replicant after he kills his wife. dd2bc28256
